Submission of.

@@@@@@@

I submit herewith in duplicate the revised estimate for 1949-50 and Budget Estimate for 1950-51 of the Elementary Education Fund Accounts duly revised as per Council's resolution No.536 dated 11-2-50, in the form prescribed in Annexure I to the rules framed under the Act together with a summary and statements.

REVISED ESTIMATE:- The figures as shown in the sanctioned budget for 1949-50 have been slightly altered both under Receipts and Expenditure as detailed below for the reasons explained against each in the remarks column.

RECEIPTS:-

	Budget Estimate 1949-50.	Revised Estimate 1949-50.	Remarks.
Education Tax - collections.	27,170.	36,680.	- Proportionate increase anticipated in 49-50 under property tax.
Govt.Grant under Sec.37, contribution from Gl.Funds.	13,746.	13,078.	- Decrease is due to refund of excess grant drawn in 48-49.
Contribution from General funds.	3,484.	..	- Omitted as the closing balance with a balance of Rs.11,950/- as against the anticipated balance of Rs.2,955/-

EXPENDITURE.

Salaries to Masters.	35,050.	36,440.	- Excess provision made, is due to the payment of House Rent allowance paid to the teachers.
Education tax charges.	1,270.	1,850.	Due to proportionate increase in collection charges.

On account of the above changes the total receipts and expenditure has been altered from Rs.42,925/- to Rs.48,280/- and from Rs.45,880/- to Rs.47,850/-. The Government may therefore be pleased to sanction the alterations thus effected to the sanctioned estimate.

BUDGET ESTIMATE:-

P.T.O.

BUDGET ESTIMATE:

Details in regard to each item of expenditure have been furnished in the Establishment Schedule, Provision is made for equipment ordinary and adequate accommodation as per the recommendations of the Educational authorities. A sum of Rs. 1,000/- is provided under repairs to buildings owned by the Council and for repairs to rent free buildings. Due provision has been made in the Budget Estimate for staff, D.A. House Rent allowance, equipment and accommodation, etc. based on the actual requirements of each school. Provision is also made for payment of duty allowance to Headmasters of schools. Provision for an additional school in IX ward is made in the Budget Estimate. In addition to this provision for opening a new school in XVI ward from 1-6-50 is also made as resolved in the Council's resolution No.536 dated 11-2-50.

below

The marked variations between the actuals of 1948-49 and the Revised Estimate are mainly due to the payment of House Rent allowances sanctioned to the staff and for payment of higher rate of rent to the school buildings. As the receipts from Education Tax, Government grant under Sec.37 and under provision to Sec.37 of the Act, are sufficient, no contribution is made from General Fund to Elementary Education. A sum of Rs.3,000/- is also transferred from Ordinary receipts to capital for the construction of a compound wall to one of the schools and for the supply of furniture to the new schools to be opened in the next year.

I request that the Government may be pleased to approve the Budget at an early date. A copy of the note to the Council, copy of the Establishment Schedule and a copy of the Council's Resolution No.536 dated 11-2-50 approving the Budget are enclosed.

Commissioner,
Bellary Municipality.

BELLARY MUNICIPAL COUNCIL.

Budget Estimate - 1950-51 - Elementary Education Fund Accounts of the Bellary Municipality.

The Revised Estimate for 1949–50 opens with a balance of Rs. 11,890/– under Ordinary and closes with a balance of Rs. 12,320/–. The ordinary Receipts and charges for the year are Rs. 48 280/– and Rs. 47,850/– respectively. The increase in receipts is due to the proportionate increase of Education Tax anticipated in the year. The increase in expenditure over the sanctioned Budget figure is due to the payment of house rent allowance allowed to all the teachers as per G. O. No. 885 L. A., dated 28–4–49 as the Council had not sanctioned the payment of House Rent allowance to any of the staff while submitting the Elementary Education budget for 1949–50. As the Duty allowance paid to the Headmasters of the Elementary Schools with less than four teachers is allowed to be paid from 1–1–47 at the rates sanctioned previously, necessary provision is now made in the revised estimate. On account of the anticipated increase in the collection of education tax, the total collection charges debited is increased from Rs. 1,270/– to Rs. 1,850/–. The total ordinary expenditure of the revised estimate is therefore in excess of the total ordinary expenditure originally provided in the Budget estimate. As the revised estimate opens with a surplus balance of Rs. 11,890 – as against the 'nil' closing balance anticipated in the Budget Estimate for 49–50, the contribution of Rs 3,484/– proposed to be transferred from General Funds in the Budget Estimate, has been deleted The Government have therefore to be addressed to accord sanction for these alterations made in the sanctioned Budget for 1949–50.

BUDGET ESTIMATE FOR 1950 51.

The Budget Estimate for 1950–51 is expected to open with a balance of Rs. 12 320/– under Ordinary and close with a balance of Rs. 9 690/–. The total ordinary Receipts for the year is Rs 51,020/– out of which a sum of Rs 3,000/– is proposed to be transferred to capital, for the purchase of new furniture to be purchased for a school to be opened in IX ward and also for providing a compound wall to one of the existing schools The total ordinary expenditure is Rs 50 650/–. No contribution from General account is proposed to be transferred as the Elementary Education Fund is self supporting. Due provision has been made for payment of salaries, D. A. and House rent allowance at Government rates now in force and other recurring charges as per sanctioned schedule put up herewith. Provision for the opening of new school in IX ward is also made in the Butget Estimate. Though two of the teachers posts in Cowl Bzaar Model School are kept in abeyance provision is made for these two teachers so as to make available in the same school or in any of the other if found necessary. Due provision has been made for equipment as per the recommendations of the Educational authorities. The Educational authorities also write that the accommodation is inadequate and therefore an extra sum of Rs. 600/– has been provided under House rent to accommodate these schools in suitable rented buildings. A sum of Rs. 4 00—0—0 has already been provided in Revised Estimate for 49–50 for the construction of a compound wall to Satyanarayanapet Girls School and the work has to be taken up after getting the estimates sanctioned. A sum of Rs. 1,500/– is also provided is also provided under capital for the construction of a compound wall to any one of the existing schools. No provision is made for play grounds as the revanue authorities have not yet alienated any lands for this purpose As regards the construction of a new school in Sreerampuram it is not possible to take up from the Municipal funds and Government have to be addressed separately for grant for its construction after the plans and estimates are sanctioned by the competent

authority. The Municipal Engineer also has to be asked to select a suitable site and to submit plans and estimates to take up this question if the Council so desires.

The Budget as prepared and placed before the Council may be approved and the following points also to be considered.

(1) Government have to be addressed immediately for all the deviations made in the Revised Estimate for 1949-50 from the sanctioned estimate. Provision made under Capital for Rs. 4000 and Rs. 2500 for buildings and furniture respectively needs deletion as no work has been taken up and they are not likely to be completed before the end of the year.

The following extra provision has to be made in the Budget Estimate for 1950-51.

(a) The Council has sanctioned the opening of a new school in XVI ward with effect from 1-6-50. A sum of Rs. 1,800 may be provided.

(b) Provision made under House rent is quite insufficent as the following buildings have either to be shifted or rent increased in view of the notices given by the owners.

1 Fort School 2 Lalakaman Muslim Girls School 3 Boyageri Muslim boys School (2 schools are located in one building)

Provision has to be made for payment of rent to the school to be opened in XVI ward. Hence provision under this head may be increased by Rs. 1000.

(c) Mahanandikottam School, Sree Rampuram School and New Hirehaul ukkadam School are located in poor Harijan colonies. They are in very bad state. Either the school require shifting or repairs and improvements necessary should be made immediately by the Municipality. An extra provision of Rs. 1000 may be made for this purpose.

No provision is made under Travelling allowance. The question of deputing teachers for adult training is still pending. As the District Educational Officer is pressing for the opening of night schools, necessary provision has to be made. Hence an extra provision of Rs. 500/- may be made in the Revised Estimate.

The provision made under Capital i. e.. Rs. 1500/-is quite insufficient under lands and buildings. Proposals has been put up separately for the constructions of a new building in Sabhapathy well street for the Kambli Bazaar Girls School. There is an urgent necessity for this school as it is somewhere located in the X ward. There is a site available and unless provision is made we will not be able to undertake this work. A sum of Rs. 5000/- atleast may be provided for this purpose.

L.F.No.8472 dated 4-1-49 from the Examiner of Local Fund Accounts, Madras.

Education tax is at present being levied on vacant lands in Municipal area at 1½% per half year on annual values. The Examiner of Local Fund Accounts, Madras, in his letter L.F.8472 dated 4-1-49 has pointed out that the rates of education tax should be fixed at certain percentage of the property tax as per instructions issued in G.O.No.1606 Edn. dated 22-6-48 and directed that revised proposals should be sent in conformity with the instructions issued in the G.O. cited. The subject was therefore placed before the Council for revising the basis of levy of education tax and the Council in its resolution No.1410 dated 28-2-48 (copy enclosed) has agreed to levy the education tax at 11-1/9% of property tax from 1-4-49 including agricultural lands. The same may kindly be sanctioned at an early date.

R. C. No. A.1. 135/49 Dated 2-11-50.

Sir,

Sub:-- Education- Tax- Bellary Municipal Council- vacant lands- levy of- approval- requested.

Ref:-- 1) Govt. Memo. No. 26894/50-1 D.Edn. dated 21-9-50.
2) Govt. memo. No. 26894/50-2 Edn. dated 3-10-50.

I submit herewith a copy of this office reference A.1. 135/49 dated 1-3-50.

In the above letter Govt 's sanction was sought for the levy of Education tax at 11 1/9 % of property tax per half year with effect from 1-4-49, as so as to be inconformity with the instructions issued in G.O. No. 1606 Edn. dated 22-6-48. But Govt. in their orders No. 1780 Edn. dated 13-6-50 (Rule 2 (iii) while applying the Budget Estimate for this municipality have sanctioned the levy at 11 1/9% per annum only with effect from 1-10-50. As this rate is already in vogue in this municipality as per notification, I request that Govt. may be pleased to issue orders permitting the levy at 11 1/9% per half year from 1-4-49 as per this office letter no. 135/49 dated 1-3-50.

As auditors have taken objection (copy enclosed) for the levy without the approval of the Govt. I request very early orders in the matter.

Ref:-Govt. memo 96402/C1/48-3 Edn dated 22-2-49 L.F. 8472 Dated 4-1-49 from the Examiner of L.F. Accounts, Madras.

Education tax at present is being levied on vacant lands in Municipal Area at 1¼% per half year on annual values. The Examiner of L.F. Accoujts, Madras in his letter No.L.F.8472 dated 4-1-49 has pointed out that the rates of Education Tax should be fixed at certain percentage of the property tax as per instructions issued in G.O. No. 1606 Edn. dated 22-6-48 and directed that revised proposals to be sent in conformity in the instructions issued in the G.O. cited. The subject was therefore placed before the council for revising the basis of levy of education tax and the council in its resolution 1410 dated 28-2-48 has ggreed to levy the education tax at 11 1/9 % of property tax from 1-4-49 including agricultural lands. The same may kindly be sanctioned at an early date.
